## AXM High Performance inks for Spectra®, Xaar®, Ricoh® Print Head Technologies

- ▼ True solvent based ink
- ▼ Designed for use in printers utilizing Spectra®, Xaar®, or Ricoh® printhead technologies
- ▼ Perfect balance between color gamut and longevity
- ▼ Proven reliability and consistency in product quality
- ▼ Backed by INX Digital's Worldwide Outdoor Durability and Ink Train Warranty for TRIANGLE® brand inks.

### Ink Train Warranty

INX Digital offers the most comprehensive warranty in the industry. If inks are proven to be the cause of the printer breakdown during the initial OEM warranty period, then INX Digital will provide parts, service or reimbursement costs required to repair damage to the ink train.\*

\*See warranty disclosure statement for details.

### Outdoor Durability Warranty

INX Digital backs their products with their Worldwide Ink Durability Warranty. INX Digital's TRIANGLE® Inks have been extensively used for many years and exposed to virtually all global and outdoor climates.\*

\*See specific product durability warranty as some vary.

+ Ask a sales representative for INX Digital's complete Worldwide Ink Durability Warranty.

INX Digital is employing a new, patent-pending technology, proving that up to 100% recovery on UV print heads with obstructed nozzles and restricted flow is possible. This advance in print head cleaning, available for virtually all print head types, translates to major savings for digital print operations.
